- (b) the required premium has been paid.

All coverage (except Trip Cancellation) will begin at 12:01 A.M. local time at the Insured’s location on the Scheduled Departure Date; or the actual departure date if change is required by a Common Carrier, when the Insured departs for the first Travel Arrangement. If coverage is purchased on the Scheduled Departure Date, such coverage will take effect at 12:01 A.M. local time, at the location of the Insured, on the day after the Scheduled Departure Date.

Trip Cancellation coverage will take effect at 12:01 A.M. local time at the location of the Insured, on the date the required premium for such coverage is received by the Company or its authorized representative.

WHEN YOUR COVERAGE ENDS – Your coverage will end at 11:59 local time on the date that is the earliest of the following:

- (a) the Scheduled Return Date as stated on the travel tickets;
- (b) the date the Insured returns to his/her origination point if prior to the Scheduled Return Date;
- (c) the date the Insured leaves or changes his/her Covered Trip (unless due to unforeseen and unavoidable circumstances covered by the Policy);

- (d) the time the Group Policy terminates. If insurance was purchased prior to the date of termination, insurance will continue to the end of the Covered Trip;
- (e) The date the Insured cancels the Covered Trip;
- (f) When You are less than 100 miles from the Insured's primary residence;
- (g) Any Trip that exceeds 180 days.

EXTENDED COVERAGE - Coverage will be extended under the following conditions:

- (a) When the Insured commences air travel from his/her origination point: within two (2) days before the commencement of the Land/Sea Arrangements, coverage shall apply from the time of departure from the origination point; or (ii) greater than two (2) days before the commencement of the Land/Sea Arrangements, the extension of coverage shall be provided only during his/her air travel.

- (c) If the Insured is a passenger on a scheduled common carrier that is unavoidably delayed in reaching the final destination coverage will be extended for the period of time needed to arrive at the final destination.

In no event will coverage be extended for unscheduled extensions to Your Covered Trip for which premium has not been paid in advance.

ARBITRATION - Notwithstanding anything in the Group Policy to the contrary, any claim arising out of or relating to this contract, or its breach, may be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial rules except to the extent provided otherwise in this clause. Judgment upon the award rendered in such arbitration may be entered in any court having jurisdiction thereof. All fees and expenses of the arbitration shall be borne by the parties equally. All parties must mutually agree to arbitration before arbitration may take place.

However, each party will bear the expense of its own counsel, experts, witnesses, and preparation and presentation of proofs. The arbitrators are precluded from awarding punitive, treble or exemplary damages, however so denominated. If more than one Insured is involved in the same dispute arising out of the same Group Policy and relating to the same loss or claim, all such Insureds will constitute and act as one party for the purposes of the arbitration. Nothing in this clause will be construed to impair the rights of the Insureds to assert several, rather than joint, claims or defenses.

LEGAL ACTIONS - No legal action for a claim can be brought against the Company until sixty (60) days after the Company receives proof of loss. No legal action for a claim can be brought against the Company more than three (3) years after the time required for giving proof of loss.

CONTROLLING LAW - Any part of the Group Policy that conflicts with the state law where the Group Policy is issued is changed to meet the minimum requirements of that law.

SUBROGATION - To the extent the Company pays for a loss suffered by You, the Company will take over the rights and remedies You had relating to the loss. This is known as subrogation. You must help the Company to preserve its rights against those responsible for the loss. This may involve signing any papers and taking any other steps the Company may reasonably require. If the Company takes over Your rights, You must sign an appropriate subrogation form supplied by the Company.

The following provisions will apply to Trip Cancellation, Trip Interruption, Trip Delay, Accidental Death & Dismemberment, Emergency Sickness Medical Expense, Emergency Accident Medical Expense, Emergency Evacuation and Repatriation of Remains:

PAYMENT OF CLAIMS - The Company, or its designated representative, will pay a claim after receipt of acceptable proof of loss. Benefits for loss of life are payable to Insured's beneficiary. If a beneficiary is not otherwise designated by the Insured, benefits for loss of life will be paid to the first of the following surviving preference beneficiaries:

- a) the Insured's spouse;

- b) the Insured's child or children jointly;
- c) an Insured's parents jointly if both are living or the surviving parent if only one survives;
- d) an Insured's brothers and sisters jointly; or
- e) the Insured's estate.

All other claims will be paid to the Insured. In the event the Insured is a minor, incompetent or otherwise unable to give a valid release for the claim, the Company may make arrangement to pay claims to the Insured's legal guardian, committee or other qualified representative.

All or a portion of all other benefits provided by the Group Policy may, at the option of the Company, be paid directly to the provider of the service(s). All benefits not paid to the provider will be paid to the Insured.

Any payment made in good faith will discharge the Company's liability to the extent of the claim.

The applicable benefit amount will be reduced by the amount of benefits, if any, previously paid by other Insurance Policies. In no event will the Company reimburse the Insured for an amount greater than the amount paid by the Insured.

NOTICE OF CLAIM - Written notice of claim must be given by the Claimant (either You or someone acting for You) to the Company or its designated representative within twenty (20) days after a covered loss first begins or as soon as reasonably possible. Notice should include Your name, the Participating Organization's name and the Group Policy number. Notice should be sent to the Company's administrative office, at the address shown on the cover page of the Group Policy, or to the Company's designated representative.

CLAIM FORMS - When written notice of claim is received, You will be sent forms for filing proof of loss. If these forms are not sent within 15 days, You may meet the proof of loss requirement by sending the Company a written statement of the nature and extent of the loss within the time limit stated in the "Proof of Loss" provision.

PROOF OF LOSS - The Claimant must send the Company, or its designated representative, proof of loss within ninety (90) days after a covered loss occurs or as soon as reasonably possible.

PHYSICAL EXAMINATION AND AUTOPSY - The Company, or its designated representative, at their own expense, have the right to have You examined as often as reasonable necessary while a claim is pending. - (c) give immediate notice to the carrier or bailee who is or may be liable for the loss or damage;
- (d) notify the police or other authority in the case of robbery or theft within twenty-four (24) hours.

PROOF OF LOSS - You must furnish the Company, or its designated representative, with proof of loss. This must be a detailed sworn statement. It must be filed with the Company, or its designated representative, within ninety (90) days from the date of loss. Failure to comply with these conditions shall invalidate any claims under the Group Policy.

SETTLEMENT OF LOSS - Claims for damage and/or destruction shall be paid after acceptable proof of the damage and/or destruction is presented to the Company and the Company has determined the claim is covered. Claims for lost property will be paid after the lapse of a reasonable time if the property has not been recovered. You must present acceptable proof of loss and the value involved to the Company.

VALUATION - The Company will not pay more than the actual cash value of the property at the time of loss. Damage will be estimated according to actual cash value with proper deduction for depreciation as determined by the Company. At no time will payment exceed what it would cost to repair or replace the property with material of like kind and quality.

DISAGREEMENT OVER SIZE OF LOSS: If there is a disagreement about the amount of the loss either You or the Company can make a written demand for an appraisal. After the demand, You and the Company will each select Your own competent appraiser. After examining the facts, each of the two appraisers will give an opinion on the amount of the loss. If they do not agree, they will select an arbitrator. Any figure agreed to by 2 of the 3 (the appraisers and the arbitrator) will be binding. The appraiser selected by You is paid by You. The Company will pay the appraiser they choose. You will share equally with the Company the cost for the arbitrator and the appraisal process.

COORDINATION OF BENEFITS

Applicability

The Coordination of Benefits ("COB") provision applies to This Plan when You have health care coverage under more than one Plan. "Plan" and "This Plan" are defined below.

If this COB provision applies, the order of benefit determination rules should be looked at first.

Those rules determine whether the benefits of This Plan are determined before or after those of another Plan.

The benefits of This Plan:

- (a) will not be reduced when, under the order of benefit determination rules, This Plan determines its benefits before another Plan; but
- (b) may be reduced when, under the order of benefit determination rules, another Plan determines its benefits first. This reduction is described further in the section entitled Effect on the Benefits of This Plan.

Definitions

Plan is a form of written on an expense incurred basis that provides benefits or services for, or because of, medical or dental care or treatment. "Plan" includes:

- (a) group insurance and group remittance subscriber contracts;
- (b) uninsured arrangements of group coverage;
- (c) group coverage through HMO's and other prepayment, group practice and individual practice Plans; and
- (d) blanket contracts, except blanket school accident coverages or a similar group when the Policyholder pays the premium.

"Plan" does not include individual or family:

- (a) insurance contracts;
- (b) direct payment subscriber contracts;
- (c) coverage through HMO's; or (d) coverage under other prepayment, group practice and individual practice Plans.

This Plan is the parts of this blanket contract that provide benefits for health care expenses on an expense incurred basis.

Primary Plan is one whose benefits for a person's health care coverage must be determined without taking the existence of any other Plan into consideration. A Plan is a Primary Plan if either:

- (a) the Plan either has no order of benefit determination rules, or it has rules that differ from those in the contract; or
- (b) all Plans that cover the person use the same order of benefits determination rules as in this contract, and under those rules the Plan determines its benefits first.

Secondary Plan is one that is not a Primary Plan. If a person is covered by more than one Secondary Plan, the order of benefit determination rules of this contract decide the order in which their benefits are determined in relation to each other. The benefits of each Secondary Plan may take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan which, under the rules of this contract, has its benefits determined before those of that Secondary Plan.

Allowable Expense is the necessary, reasonable, and customary item of expense for health care; when the item of expense is covered at least in part under any of the Plans involved.

The difference between the cost of a private hospital room and a semi-private hospital room is not considered an Allowable Expense under the above definition unless the patient's stay in a private hospital room is medically necessary in terms of generally accepted medical practice.

When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered both an Allowable Expense and a benefit paid.

Claim is a request that benefits of a Plan be provided or paid. The benefits claimed may be in the form of:

- (a) services (including supplies);
- (b) payment for all or a portion of the expenses incurred; or
- (c) a combination of (a) and (b).

Claim Determination Period is the period of time, which must not be less than 12 consecutive months, over which

Allowable Expenses are compared with total benefits payable in the absence of COB, to determine:

- (a) whether other insurance exists; and
- (b) how much each Plan will pay or provide.

For the purposes of this contract, Claim Determination Period is the period of time beginning with the effective date of coverage and ending 12 consecutive months following the date of loss or longer as may be determined by the proof of loss provision.

Order of Benefit Determination Rules

When This Plan is a Primary Plan, its benefits are determined before those of any other Plan and without considering another Plan's benefits.

When This Plan is a Secondary Plan, its benefits are determined after those of any other Plan only when, under these rules, it is secondary to that other Plan.

When there is a basis for a Claim under This Plan and another Plan, This Plan is a Secondary Plan that has its benefits determined after those of the other Plan, unless:

- (a) the other Plan has rules coordinating its benefits with those of This Plan; and
- (b) both those rules and This Plan's rules, as described below, require that This Plan's benefits be determined before those of the other Plan.

Rules

This Plan determines its order of benefits using the first of the following rules which applies:

- (a) **Nondependent/Dependent Rule.** The benefits of the Plan that covers the person as an employee, member or subscriber (that is, other than as a dependent) are determined before those of the Plan that covers the person as a dependent.

- (b) **Longer/Shorter Length of Coverage Rule.** The benefits of the Plan that covered an employee, member or subscriber longer are determined before those of the Plan that covered that person for the shorter time.

To determine the length of time a person has been covered under a Plan, two Plans shall be treated as one if the claimant was eligible under the second within 24 hours after the first ended. Thus, the start of a new Plan does not include: (a) a change in the amount or scope of a Plan's benefits; (b) a change in the entity which pays, provides or administers the Plan's benefits; or (c) a change from one type of Plan to another. The claimant's length of time covered under a Plan is measured from the claimant's first date of coverage under that Plan. If that date is not readily available, the date the claimant first became a member of the group shall be used as the date from which to determine the length of time the claimant's coverage under the present Plan has been in force.

Effect on the Benefits of This Plan When it is Secondary

The benefits of This Plan will be reduced when it is a Secondary Plan so that the total benefits paid or provided by all Plans during a Claim Determination Period are not more than the total Allowable Expenses, not otherwise paid, which were incurred during the Claim Determination Period by the person for whom the Claim is made. As each Claim is submitted, This Plan determines its obligation to pay for Allowable Expenses based on all Claims that were submitted up to that point in time during the Claim Determination Period.

Right to Receive and Release Needed Information

Certain facts are needed to apply these COB rules. The Company has the right to decide which facts are needed. The Company may get needed facts from or give them to any other organization or person. The Company need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give the Company any facts we need to pay the Claim.

Facility of Payment

A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, the Company may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under This Plan. The Company will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable monetary value of the benefits provided in the form of services.

Right of Recovery

If the amount of the payments made by the Company is more than the Company should have paid under this COB provision, the Company may recover the excess from one or more of: (a) the persons we have paid or for whom we have paid; (b) insurance companies; or (c) other organizations.

Non-complying Plans

This Plan may coordinate its benefits with a Plan that is excess or always secondary or which uses order of benefit determination rules which are inconsistent with those of This Plan (non-complying Plan) on the following basis:

- (a) If This Plan is the Primary Plan, This Plan will pay its benefits on a primary basis;
- (b) if This Plan is the Secondary Plan, This Plan will pay its benefits first, but the amount of the benefits payable will be determined as if This Plan were the Secondary Plan. In this situation, our payment will be the limit of This Plan's liability; and
- (c) if the non-complying Plan does not provide the information needed by This Plan to determine its benefits within 30 days after it is requested to do so, the Company will assume that the benefits of the non-complying Plan are identical to This Plan and will pay benefits accordingly. However, the Company will adjust any payments made based on this assumption whenever information becomes available as to the actual benefits of the non-complying Plan.

NATIONWIDE® HIPAA NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This Notice of Privacy Practices (the “Notice”) applies to Nationwide¹ and describes the legal obligations of Nationwide, and your legal rights regarding your protected health information held by Nationwide under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”). Among other things, this Notice describes how your Protected Health Information (“PHI” as that term is defined below) may be used or disclosed to carry out treatment, payment, or healthcare operations, or for any other purposes that are permitted or required by law.

Nationwide is required by HIPAA and certain state laws to maintain the privacy of your PHI and to provide you with notice of our legal duties and privacy practices with respect to your PHI. We are required to abide by the terms of this Notice so long as it remains in effect. Nationwide reserves the right to change the terms of this Notice and to make the new Notice effective for all PHI maintained by us, as allowed or required by law. If we make any material change to this Notice, we will provide you with a copy of the revised Notice by mail to your last-known address on file.

Protected Health Information (PHI) includes individually identifiable health information that is created or received by Nationwide and that relates to: (1) your past, present, or future physical or mental health or condition, (2) the provision of health care to you, or (3) the past, present, or future payment for the provision of health care to you. If you are unavailable, incapacitated, or facing an emergency medical situation and we determine that a limited disclosure may be in your best interest, we may share limited PHI with such individuals without your approval.

Business Associates. Certain aspects and components of our services are performed through contracts with outside persons or organizations. At times it may be necessary for us to provide your PHI to one or more of these outside persons or organizations. In all cases, we require these business associates by contract to appropriately safeguard the privacy of your information.

Other Health-Related Products or Services. We may, from time to time, use your PHI to determine whether you might be interested in or benefit from treatment alternatives or other health-related programs, products, or services which may be available to you as a member of the health plan. For example, we may use your PHI to identify whether you have a particular illness, and advise you that a disease management program to help you manage your illness better is available to you. We will not use your information to communicate with you about products or services which are not health-related without your written permission.

Plan Administration. We may release your PHI to your plan sponsor for administrative purposes, provided we have received certification that the information will be maintained in a confidential manner and not used in any other manner not permitted by law.

Other Uses and Disclosures. We are permitted or required by law to make certain other uses and disclosures of your PHI without your authorization.
